Tryout Information

1. In order to participate in **CLINICS and TRYOUTS**, students **must** have a new physical that will cover through March 2020, and all information updated and posted on the DJHS website for student information including concussion form, emergency contact information, etc.
2. The Dublin Jerome cheerleading coaches will choose team members with the assistance of independent judges. These judges will have at least one of the following qualifications: from a known cheerleading organization, coached middle, high school, or collegiate level athletes, or have prior college cheerleading experience.
3. The decisions of the coaches and judges are final. If you have questions concerning the procedures for tryouts and team placements please make sure that you ask them **prior** to the date of **tryouts in July**.
4. Any time prior to July 15, 2019 athletes may receive an individual sheet reflecting strengths and weakness of the athlete in regards to cheerleading skills as assessed by one of the DJHS Cheer staff. This sheet of information may be used by the athlete as they choose to improve during the summer. For team tryouts in August, there will be four stations in which students will be required to demonstrate a variety of skills. The scores from these four stations will be combined for an overall score, which will be the score used for team placements. This model will allow for formative feedback for each athlete prior to team tryouts, but is in **NO WAY** a guarantee of placement onto a specific team.
5. Freshman may only make the freshmen teams, but may be moved up at the discretion of the coaching staff if deemed necessary.

6. For safety and liability reasons, the coaching staff reserves the opportunity to disqualify candidates who score 65% or less of the total points at the tryout in July or at anytime in the year.
7. Cheerleading tryouts are closed to the public, and cheerleaders must be present for tryouts and evaluations, unless a unique situation that is approved by the head coach and staff prior to the start of tryouts and/or evaluations begin.
8. Girls making the squads will need to practice and exhibit the same skills displayed at tryouts throughout the season in which they cheer on the track and/or basketball court. If the cheerleader cannot practice and exhibit the skills, he/she may be ineligible to cheer including if the cheerleader is injured for more than 1 week. The cheerleader, depending on circumstances, may be dismissed from the team.
9. All gymnastic skills must be performed unaided and without a spotter on the basketball court. **All skills must land in an appropriate and safe manner. Skills that "touch", fall, etc. will not be scored a zero.
10. Varsity and JV teams are comprised of seniors, juniors and sophomores.
11. At the conclusion of tryouts, each cheerleader will be called and will be told which team(s) he/she has made and asked if he/she is willing to cheer for the team that she has made. If he/she does not wish to cheer for the team he/she is placed on, he/she will be notified of what areas could be improved upon for the future.
12. Stations 1,2, and 3 will be on the gym floor surface. Coaches will determine the week of tryouts is station 4 will be on that basketball court. This means ALL tumbling skills will be executed on the basketball court during tryouts.
13. If a cheerleader chooses to quit a varsity team that she has committed to after July 29, 2019 that cheerleader may not make a varsity team for the 2020-21 school year.

Season Information and Expectations

1. Cheerleaders are expected to attend and participate actively at all scheduled practices and games through the conclusion of their season. Failure to do so may result in dismissal from the team, and may not earn participation awards nor letters. **Missing one game, a reason other than a death in the family or personal illness or by permission of the coach, may result in a one game suspension. If the cheerleader misses more than one for reasons not listed above, the cheerleader may be dismissed from the team.**
2. During the year, there are three to five practices per week, and one-three games.
3. Practices begin the first week of August for **ALL** Jerome Cheerleaders. If a cheerleader is participating in a fall sport, she will need to meet with Carla Crawford to make arrangements regarding these cheerleading practices.

4. **Fall Cheerleaders** will cheer the fall season until approx. November 1st.

Winter Cheerleaders will cheer the winter season until approx. March 1st. They may rotate and not cheer every game. For tournaments or games outside the regular season, the pattern of rotation will stay the same. This could mean that a cheerleader, depending on the outcome of games, may not cheer during tournaments. Carla Crawford will determine the rotation schedule for all games, and the cheerleaders will not be able to change or exchange games with one another.

5. In order to maintain eligibility, a cheerleader must have/do the following:
 - a. Have passing grades in five (5) academic subjects (based upon nine weeks grades).
 - b. Dublin Schools also has a 2.0 GPA requirement that must be met.
 - c. Perform the same skills during practices and games, as was performed at tryouts.
Note: if this is not attained, the student may be required to sit out, or may be asked to leave the team. This includes injury related issues that prevent a cheerleader to perform, just as it would in other sports at DJHS.
6. Once the teams have been chosen, each cheerleader and parent(s) will be required to sign the Constitution and by-laws of Cheerleaders and abide by them.
7. Decisions of which teams/cheerleaders cheer for what games will be decided by Carla Crawford.
8. Cheerleaders will be expected to fully participate in each practice, game, activity, etc. This includes wearing the correct practice wear, uniform to school, uniform to a game, having poms, having rain gear, etc. Failure to do so may be cause and be the reason for the cheerleader to sit out of games, up to being dismissed from the team.
9. Being late to an event, game, practice, scheduled competition event to work without prior permission from the Carla Crawford, may result in not participating in an event up to being dismissed from the team.
10. Cheerleaders who do not meet the coaches' expectations for knowing and performing material will not cheer and may be dismissed from the team.

11. All Cheerleaders are expected to participate in all Dublin Jerome Cheer Activities. The following list includes but is not an exhaustive list: DJHS Cheer camp, DJHS Cheer Clinics, DJHS competitions that are hosted at Jerome, DJHS Cheer competition set up and tear down, etc.

Cost Information

1. **Cheerleading is both time consuming and expensive.** Cheerleaders are responsible for their own shoes, socks, boy shorts, poms, tumbling lessons, and body suits. Please see enclosed price list. If students choose to tryout for both football and basketball cheerleading and make both squads, there may be additional expenses involved. Those who tryout for the all year competition team will have more competition fees, tumbling fees, other fees, etc.

Competition Information

1. Cheerleaders at Jerome will be able to participate on one of our competition teams. "All Year Gold", "All Year Stunt", "All Year GGs"
2. Cheerleaders who choose to participate in competition cheer on the DJHS Competition team, will be placed by the coaching staff on the team that best suits the Jerome Cheer Program, as well as for the individual athlete.
3. Cheerleaders may choose to compete all year, but will make that commitment with Carla Crawford and will be required to fulfill the commitment. This team may also commit to a National Competition.
4. Cheerleaders who participate on the All year competition team will have additional costs associated with being part of the team.
